

Director's Message

I am very happy to introduce you to the first edition of NIT UK's Newsletter, "Technosavvy." Technosavvy is an initiative that strives to bring forth the events and happenings of the institute on a monthly basis. The objective is to keep us updated of our achievements and progress. The 4th year of NIT UK was marked by accomplishments. I am proud to announce that we have recruited 33 faculty, 04 Officers and 12 non-Teaching members in the academic year 2013-2014. Furthermore, we have at our credit the introduction of B. Tech. program in Civil Engineering from this academic year. The institute also formulated various ordinances and constituted many committees for its proper functioning and policy-making. In the near future, we intend to initiate M.Sc, M.Tech, Management Studies, and Ph.D. programs in all the existing departments and enhance our collaboration with institutes of international repute. Finally, we look forward to having our permanent campus with all the modern amenities and facilities to help us realize our dream of becoming a premier institute in the field of science and technology education.
